**The Chief Budget Manager,
RDB**

Dear Sir,

Subject: Request to support Procuring entities as a Central Purchasing Body

Considering issues that different procuring entities have been facing to access hotel services or even to get a successful service provider when it comes to the hotel services provided by 4 and 5 Star hotels in Rwanda;

Reference is made to article 58 of the Law N° 62/2018 of 25/08/2018 governing public procurement which provides that: ***“A framework agreement may be concluded between a procuring entity and one or more bidders for its own interest or the interest of the procuring entity or other entities dealing with the procurement proceedings.;.....The procuring entity may purchase goods electronically through a framework agreement between a Government institution authorized to prepare for other public institutions a tender and the relevant contract and successful bidder.”;***

Noting that providing goods and services through framework agreement such as transport services through MININFRA and ICT related goods and services through RISA have contributed to the efficiency in Government operations;

Bearing in mind the mandate of Rwanda Development Board in line with the hospitality industry;

Henceforth, RPPA would like to request your good office to consider assisting Public Procuring Entities by acting as a central purchasing body for the procurement of 4&5 Star hotel services.

RPPA remains available in case consultations are greatly needed in this regard.

We also take this opportunity to remind you that the principle of value for money must govern the award of this framework contract and its contract Management.

Yours Sincerely,
