

PUBLIC NOTICE

Following the Cabinet resolutions of January 4th 2021 on measures to contain the spread of the COVID-19 pandemic including guidelines for tourism, the Rwanda Development Board has put in place the following measures to facilitate the movement of tourists and operators to tourism entities between Kigali and other provinces

1. Travelers, including drivers, are required to fill and submit movement requests at www.visitrwanda.com/domestic-tourists-facilitation-form/ together with copies of negative COVID-19 test results to domestictourism@rdb.rw at least 24 hours prior to the trip.
2. The only accepted test for tourists visiting Volcanoes, Nyungwe and Gishwati-Mukura National Parks is the SARS-CoV 2 Real Time Polymerase Chain Reaction (RT-PCR) taken within 72 hours.
3. A negative Rapid Antigen test (RDT) taken within 72 hours will be accepted for Akagera National Park
4. All other tourism destinations including hotel stays will accept either a Rapid Antigen test (RDT) or SARS-CoV 2 Real Time Polymerase Chain Reaction (RT-PCR) taken within 120 hours.

RDB reminds the public to adhere to the health and safety directives issued by the Ministry of Health to curb the spread of COVID-19.

For further assistance, please do not hesitate to contact RDB reservations team on +250 784 135 830.
