Rwanda is proud to welcome athletes, fans, and visitors from around the world for the 2025 UCI Road World Championships. To support the event and manage the anticipated irregular traffic flow, the Rwanda Development Board (RDB), in collaboration with the relevant authorities, has implemented temporary measures for business operations from **19 to 28 September 2025**.

OPERATING HOURS

- 1 All businesses, including shopping centers, restaurants, bars, and nightclubs, will be permitted to close at **4:00 am** during this period.

ENFORCEMENT

- 1 Existing measures, such as noise pollution restrictions and the prohibition on serving or consuming alcohol to persons under the age of 18, remain in effect.
- 2 RDB reminds all consumers to drink responsibly and not to drive under the influence of alcohol. Alcohol should not be served to anyone who appears intoxicated.
- 3 RDB, in collaboration with other relevant Government institutions, will ensure the proper implementation of these guidelines. Entities that violate these directives will be held accountable.
